

# AIISpeak

## NO TOYS

Please strongly discourage your children from bringing toys to school. Our active learning approaches will provide enough fun and excitement for all students, insya Allah.

## MOBILE PHONES

Mobile phones are strictly for emergency use. Its use within the school premises requires permission from teachers. This is for strict compliance.

## LEAVE EARLY FORM

We would like to discourage parents from picking up their children before school dismissal time as all lessons are important. But if you must, please fill up the "Leave Early Form" and submit a copy at the security post.

## VISITOR PASS

We are tightening security in AIIS. All parents are required to register at the security post and put on the visitor pass at all times. Only cars with the AIIS Car Stickers will be allowed entry into the school premises.

## Welcome Mr Principal !

Mr Mensur Ibrahim, Principal of AIIS

On behalf of AIIS, we would like to offer a very warm welcome to Brother Mensur Ibrahim. We look forward to your leadership and guidance in bringing AIIS to greater heights. Please everyone, do have a friendly chat with our new Principal when you bump into him in AIIS, insya Allah.

### Brief introduction

Mensur has a Masters in Educational Administration and is currently completing his PhD in Education Management and Leadership. He speaks five languages (English, Arabic, German, Albanian, Serbian). His experience in leading an international school before joining AIIS will be a great asset to AIIS.

## Lets Celebrate Their Successes

An important philosophy that we adopt in AIIS is to celebrate every success. Apart from collectively expressing our praise to Allah for these successes, we truly believe that it is also a source of inspiration and motivation for other AIIS'ians.

If your child has done something exciting during the weekend/holidays or has achieved a particular milestone in his/her journey towards excellence, we would appreciate that such achievements are shared with us. Do include some photos when you share these exciting moments of your child's life.

## International Competitions and Assessments for Schools (ICAS) - UNSW

ICAS is an annual skills development assessment program in key areas of learning for students. It provides an excellent preparation for national testing and enable students at all levels of ability to participate. We are pleased to announced that 16 students from Year 2 to Year 8 will be participating in the ICAS Competition, which will be held in Term 2 & 3 (applicable for Year 2 to Year 10).

SUBJECT	DATE
Science	Tuesday, 25 <sup>th</sup> April 2017
English	Tuesday, 18 <sup>th</sup> July 2017
Mathematics	Tuesday, 1 <sup>st</sup> August 2017

## Whitespace Archery Competition

The Whitespace periods are used to expose students to a wider and deeper experience in the learning process. Whitespace activities may include both core-curriculum and co-curricular programmes, but delivered in an exciting way. Term 1 whitespace was dedicated to Archery in an attempt to enhance students' focus and concentration. These are the winners for the Archery competition held at the end of the term.
