- **GOOD DEED** : Assist a guest or a visitor

#### Operating Hours During Ramadan

School :	7:30 am to 2.30 pm
Office :	8.00 am to 4.00 pm

## Ramadan Kareem!

### Message from the Principal

May this letter reach you in the best health.

Alhamdulillah, our beloved students have successfully reached half of their educational journey for this year. As always, AIIS is devoted to provide our students with a holistic educational experience that meets the challenges of the 21st century, catering for their physical, intellectual, emotional, spiritual and social development.

Our society has entered the period of care and mercy, struggle and sacrifice towards understanding, accepting and being there for one another. The month of Ramadan is a great opportunity for us, with our children, to reflect and review our journey so far and consider the things that we value most.

I would like to seize the opportunity and commend your continued teamwork and partnership with our school, and further remind you on the importance of this alliance to continue strengthening our relationship for our children's future.

Thank you all Parents, the AIIS team and students for making education such a joyful journey. Please do check the details of our newsletter for the coming academic term.

## Fasting reminders

Fasting generally improves our health and lifestyle. However, if not done right, fasting can cause health problems and obesity. Therefore, it is highly recommended that we all have a well balanced Sahur and Iftar, in addition to regular work and exercise habits.

Please do join us on 15th June for Iftar Jama'i where there will be opportunity for "share and care". Many orphans will be joining us in this event. Please do bring along your charity contribution for the Iftar.

## Our focus on values

### IHSAN : PEOPLE CENTERED

AIIS is an institution that strives for both academic and behavior excellence. With regards to this, we have developed concrete behaviors expected of all students. Corresponding points will be awarded to students who demonstrate these behaviors. Points will be recorded through the ClassDojo platform. We encourage all parents to monitor your child's 'behavior performance' through ClassDojo and motivate them accordingly. AIIS will issue a Character Report Card at the end of the year to reflect each child's observance of the Shared Behaviors..

## Workshop For Parents

Unleash the Maths & Science In You!

Engaging parents is part of the AIIS' effort to enhance home support in learning. The objectives of such an engagement are to better equip parents with approaches and strategies to guide their children through their learning and preparation for examination.

The STEM Department will be organizing a Maths and Science workshop for parents on the Friday, 14th July 2017 from 8.30 am - 12.30 pm. Spaces are limited to 60 parents only. Details will be given when school reopens.

## School Uniform Reminders

It is essential for students to be dressed neatly and well groomed whenever they put on the school uniform. We hope that all students feel proud to be a student in AIIS. They are representing AIIS in the wider community when they put on their uniform with pride. As we commence the new term, we ask for parents' support in ensuring that students put on the correct uniform.

UNIFORM	SCHEDULE
Formal Uniform	Mon - Thur (except during whitespace and PE lessons)
PE Attire	Tues (during whitespace and PE lessons)
Free Attire	Fri (Muslim students are encouraged to put on Baju Melayu / Kurung)

## Congratulations Parveena!

We would like to congratulate Parveena Thana Seelan for her achievements in the recent Tennis tournaments. Parveena participated in the "Kejohanan Tennis MSSD 2017" and "Tennis Malaysia Junior Tour 2017" and won in several categories. Tabulated below are her proud achievements.
